

# Would you like to sing?

We are recruiting **sopranos, tenors and basses** to sing Haydn's 'Creation' and a new work by Oliver Tarney, celebrating our 100<sup>th</sup> anniversary.

Come along on 7.30pm 14 Sept,

Littleton Memorial Hall, The Hall Way. Littleton nr Winchester. SO22 6QL. See [Join Us](#)

We are about fifty singers, and we all love singing. We welcome new singers of all ages and backgrounds. We are led by Paul du Plessis-Smith our Musical Director who is an experienced professional singer and soloist He is enthusiastic and encouraging and gives us guidance with our technique. We sing in groups depending on the pitch of our voices: [soprano](#), [alto](#), [tenor](#) and [bass](#). Our last concert with six other choirs was 'The Messiah', and Esther, who'd never sung it before said

'It was a fantastic experience hear all our voices soaring and weaving together'.

Before the Messiah we had a Celebration of European Music, including French, Russian, German as well as Latin.

Our January concert will be Haydn's 'Creation' and Oliver Tarney is writing a new work which will include children singing.

Each May we join with other choirs and sing at Romsey Abbey or Winchester Cathedral.

You can see what we've sung on 'past works' ([hyperlink](#))
